Commissioner of Patents

The amendment filed on 4/11/01 amending claim 34 and adding claim 69, drawn to a non-elected inventions, is non-responsive (MPEP § 821.03). The remaining claims are no longer readable on the elected invention. Applicant elected the adjuvant species RIBI Detox™ by phone, confirmed in Paper No. 13, filed 7/24/00. In claim 34 RIBI Detox™ has been removed and replaced by the adjuvant species "a liposome formulation." As RIBI Detox™ is not a liposome formulation, Applicant has improperly canceled the elected species. Further, in the remarks filed on 4/11/01 Applicant states, "Applicant's now elect incomplete Freund's adjuvant as the species of adjuvant." It is now unclear just what species of adjuvant Applicant regards as the elected invention. Regardless, the attempt to change the species of the elected invention after receiving a first action on the merits is improper.

Since the above-mentioned amendment appears to be a *bona fide* attempt to reply, applicant is given a TIME PERIOD of ONE (1) MONTH or THIRTY (30) DAYS, whichever is longer, from the mailing date of this notice within which to supply the omission or correction in order to avoid abandonment. EXTENSIONS OF THIS TIME PERIOD UNDER 37 CFR 1.136(a) ARE AVAILABLE.
